

Husqvarna LC 151S

Husqvarna LC 151 is an easy-to-use self-propelled lawnmower with collection, BioClip® (mulch) and side discharge option, perfectly suited for medium to large sized lawns. The robust 51 cm steel cutting deck and the reliable and easy-start Husqvarna engine are built to tackle difficult mowing with great cutting results, while the ergonomically handle bar with soft grip offers a less-straining mowing experience. Easy foldable handlebar, convenient bail design and easy-adjust cutting height make every mow simpler. Collect blade leaves less clippings on the lawn for a tidy, professional look. Husqvarna LC 151 is an easy-to-use self-propelled lawnmower with collection, BioClip® (mulch) and side discharge option, perfectly suited for medium to large sized lawns. The robust 51 cm steel cutting deck and the reliable and easy-start Husqvarna engine are built to tackle difficult mowing with great cutting results, while the ergonomically handle bar with soft grip offers a less-straining mowing experience. Easy foldable handlebar, convenient bail design and easy-adjust cutting height make every mow simpler. Collect blade leaves less clippings on the lawn for a tidy, professional look.

Easy adjustable handle

Quick and easy adjustment of the handle in two different heights.

Ergonomic handle

Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

3-in-1 cutting system

This lawnmower offers versatility through several cutting options. Choose the cutting mode you require to achieve optimal results: collection for a tidy lawn. BioClip® (mulching) for lawn fertilization and side discharge for less frequently cut areas.

Easy grip for lifting in the front

Easy grip for lifting into storage, the car or carrying up stairs.

FEATURES

- Collection, BioClip® and side discharge
- Ergonomic handle
- Easy adjustable handle
- Easy grip for lifting in the front
- Central cutting height adjustment
- Easily foldable handle bar to facilitate transport and storage
