

## HUSQVARNA LC 356VP

Husqvarna LC 356VP is a robust, high-capacity self-propelled mower with variable speed and easy-start OHC-engine, designed for larger gardens. Equipped with a wide, robust steel cutting deck and side discharge option. Ergonomic and easy foldable handlebar, convenient bail removal and easy-adjust cutting height make every mow simpler. Extra-large collector and Collect blade leave less clippings on the lawn for a tidy, professional look.

### Ergonomic handle

Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

### Variable drive speed

Easy to adjust the ground speed according to your needs and the condition of the lawn.

### 3-in-1 cutting system

This lawnmower offers versatility through several cutting options. Choose the cutting mode you require to achieve optimal results: collection for a tidy lawn. BioClip® (mulching) for lawn fertilization and side discharge for less frequently cut areas.

### Easy foldable handle bar

Easily fold the handle to minimize space required for storing and transportation.

## FEATURES

- Collection, BioClip® and side discharge
- Variable speed for easy speed adjustment
- Ergonomic handle
- Easily foldable handle bar to facilitate transport and storage
- Easy central cutting height adjustment

Technical Specifications	
<b>BATTERY</b>	
Battery capacity	0 Ah
